#### Pension Income Tax Exemption:

Starting in 2026, **all retirement pension income is fully exempt** from income tax in Malta for individuals aged 61 and over. This represents a change from 2025, when 80% of pension income (up to the maximum pension amount) was tax-free, with the remaining 20% (or amounts exceeding the maximum pension) still being taxable. As of 2026, **100% of pension income is exempt**, including any amount above the state pension maximum, effectively removing tax on pensions. Widow/er's pensions also remain fully exempt.

Pensions for widowers are set to rise by €3.50 weekly. Widowers who are raising children will receive an extra €10 per week until the child turns 23.
